Attach adjacent cabinets, end panels, and support legs by fastening through the pre-drilled holes with the provided connector bolts. These bolts will thread into a factory installed threaded fastener, t-nut or provided matching connector nut depending upon the application and visibility of the fasteners. Some applications may require drilling holes on-site and the use of 1 ¼" wood screws and decorative washers.

This item is attached to the wall with wood screws. 3" wood screws and decorative washers are provided for wood framed walls. Fasteners for other wall types are to be obtained locally. Screw through the back panel in locations which will be inconspicuous after installation. Suggested locations include: under shelves, behind drawers, and locations hidden by products or supplies.
